

# 24 Hour Theatre Jam!

Never heard of 24 Hour Theater? It is a group of all student run productions put together in 24 hours! Student writers gather the night before and write new plays in just 12 hours! The next day, actors and directors - all students – come in for another 12 hours and rehearse them. They are then performed that evening, and the performance is open to the general public. If you have an interest in writing, directing, acting or being a crew member for just a day - 24 hour theater is just for you! Everyone is welcome whether you are a long time thespian or just curious about what the theater is like! It takes a lot of people to make productions happen! Here's your chance to find out exactly what goes on behind the scenes. If you have any interest, don't hesitate to sign up!
